Assalamu Alaikum Parents:

January has come and gone so quickly. It was a busy month here at FMIS with lots of successful events. Our students did a wonderful job presenting what the Fort McMurray Islamic School means to them at the District Office, where students held the spotlight and presented the seven habits that play an active role in their daily activities.

Our Junior High students participated in the APEGA Science Olympics. Four teams competed from FMIS, winning one silver and three bronze awards.

We would like to congratulate all the students who took part in this year's spelling bee. We are proud of all the students for putting in their best efforts and showing such great enthusiasm.

Unfortunately, both Elementary and Junior High ski trips were cancelled due to the cold weather. We will send out an email once we reschedule.

The grade three's did an excellent job at holding the Leader In Me: Habit 3 assembly. We are looking forward to Habit 4 which will be presented by grade 1K on February 21st..

We would like to welcome Ms. Fahmo Rage, our new Junior High Math/ Science teacher, to the FMIS team.

January 30th was a big day at FMIS as we took part in the *Bell Let's Talk: Mental Health Awareness Day*. We held our very first Fort McMurray Islamic School Blitz' and, Alhamdulillah, it was a huge success. We encourage students to continue the conversation surrounding Mental Health.
